2009- TESOL Teacher Trainer, English Department, Ball State University, Muncie, Indiana, USA
2010- Teacher, Cincinnati Waldorf School, Cincinnati, Ohio, USA
2012- Adjunct Professor, Faculty of International Studies, Meiji Gakuin University, Yokohama, Japan
2013- Assistant Professor, Graduate School of Economics, Hitotsubashi University, Kunitachi, Japan
2016- Associate Professor, Graduate School of Economics, Hitotsubashi University, Kunitachi, Japan

3. Teaching at Hitotsubashi

A. Lectures

(b) Graduate program

- Academic and Professional Presentations I
- Academic and Professional Presentations II
- Research-Based Academic Writing I
- Research-Based Academic Writing II

B. Seminars

- Basic Seminar B (Research Methods)
- Basic Seminar C (Debate)

C. Messages to students

In these courses I hope to promote an atmosphere of constructive critique and collaboration that will engage students and allow them to succeed. My goal is to help students develop competence in academic skills, a robust knowledge base they can draw upon and, most importantly, an attitude towards the academic process that will get their work noticed and encourage collaborative projects through their writing and presentations at international academic conferences.

4. Major research themes

Socially constructed and situated theories of learning, case study and qualitative research methodology, second language academic literacy, globalization of higher education

5. Research activity

A. Publications

(b) Journal articles (Add * to publications in refereed journals)

- *2001 "Motivating learning through ethnographic projects", with D. Grimes-MacLellan, *The Language Teacher*, 25(11), 31-33.
- 2001 "Requesting information online: An exploratory study of native and non-native English discourse patterns", *Kobe College Studies*, 47(3), 57-82.
- 2002 "'I like the teacher who always listens to my opinion': Prospective students' perceptions of 'the best kind of teacher'", *Kobe College Studies*, 48(3), 3-27.
- 2009 "Retooling Japan for the 21st Century: Higher education reforms and the production of 'international' scholars", In *Higher Education in East Asia: Neoliberalism and the Professoriate*. Gregory S. Poole & Ya-chen (eds.) (Rotterdam: Sense Publishers, Global Perspectives in Higher Education series), 1-24.
- 2016 "Scaffolding excellence: Content-language integration and the development of Japanese global leaders," *Proceedings of the 14th Asia TEFL International Conference*, 87-91.

(d) Others

- 2009 Follwell, J., MacLellan, P., Spears, A., Thurlow, A., *Labour Market Information (LMI) Planning and Development in Canada's Dynamic Labour Markets: LMI Environmental Scan 2008*, Prepared for the LMI Working Group of the Forum of Federal and Provincial Labour Market Ministers of Canada.
- 2014 "Toward the implementation of short-term overseas language study overseas: Report of study visit to EF Boston," *FY 2013 Hitotsubashi University Research Report on Overseas Language Study*, 3-12.

B. Recent research activity

(a) Presentation at academic association meetings (add * to keynote speeches and invited speeches)

- March, 2014. Walking the Walk and Talking the Talk: A Content-Based Undergraduate English Curriculum for Economics and International Business Majors in Japan. *Asia-Pacific Teaching Professor Conference 2014*, Tokyo, Japan.
